Once all fields are filled out, click on “Register”

That’s it you are now logged in, an able to post or reply to a post.

## How do I make a post?

What is a post? Basically a post is a way of putting a message onto the forum for others to read, to which others can also reply to.

You will see that the Forum has different Forum Names:

Riding the Rhino

Taming the Rhino

Rhino Safari etc. etc.

Under each forum name there is a brief description of what the forum is about.

To enter a Forum just click on the heading of the Forum that you want put a post on.

e.g. Click on “Riding the Rhino” and you will enter that forum.

To write a new topic click on “Add New Topic”

**Forums > Riding the Rhino Forum > Riding the Rhino**

Email me when someone posts to this forum.

 Add New Topic  Add New Poll

Topics	
	<b>Failed IVA's</b>
	<b>Today in the UK</b>
	<b>Pensioner placed in an IVA for £5200!</b>

When you click on “Add New Topic” the following screen appears.

Click in the “Subject” box type in the header you want to call it e.g. **Should I Go Bankrupt?**

Then click in the big white box underneath and type as much as you want. When you have finished writing, scroll to the bottom of the page, and click on the tick box if you want to receive eMails, to inform you if anyone replies to your post.

Then click on the “Submit” button. This will then publish your post for all to see.

### To Reply to a Topic:

Choose the forum you want to enter:  
e.g. click on Riding the Rhino
